## CII Paper Tech 2025: Driving Sustainability and Innovation in Paper Sector

Hyderabad, Sep 16: The 19<sup>th</sup> edition of CII Paper Tech, a flagship conference advancing energy efficiency in India's pulp & paper sector, will be held on 16<sup>th</sup> & 17<sup>th</sup> September 2025 at the Hyderabad International Convention Centre (HICC). Themed "Make Indian Pulp & Paper Industry World Class", the event brings together industry leaders, innovators, and stakeholders to discuss strategies for elevating the sector to international standards.

Mr. Pawan Agarwal, President, Indian Paper Manufacturers Association (IPMA) and MD, Naini Papers Ltd., highlighted: "The Indian pulp and paper industry can become world-class with a simple shift in mindset. Small steps, such as scaling operations, ensuring export consistency, and creating unique value propositions, can make a significant difference. By moving beyond just commodities and focusing on value-added products, we can create a thriving ecosystem

for engineered solutions."

Mr. Sushil Kumar Khetan, Vice President of the Indian Newsprint Manufacturers Association (INMA) & Chief Executive Officer, Emami Paper Ltd., shared: "CII's PaperTech has become a powerful platform for ideas, innovations, and change. The paper industry has rapidly embraced technology, with recycling at its very core. Our next big step must be to make paper

mills efficient without coal, moving decisively from intent to action."

Mr. Pramod Agarwal, President, Indian Agro & Recycled Paper Mills Association (IARPMA) & Chairman & Managing Director, Rama Paper Mills Ltd. remarked: "Paper is not just a product—it is an integral part of our economy. The growth of this industry is directly linked to the progress of the nation. As the

largest contributor to recycling, the paper industry perfectly aligns with the Swachh Bharat Mission envisioned by our Hon'ble Prime Minister."

In addition to insightful discussions and keynote addresses, PaperTech 2025 featured the release of the "Best Practices Manual in Paper Sector (Volume 13)," showcasing advancements and innovations within the industry. The conference also honored N Gopalratnam, Chairman, Seshasayee Paper & Boards Ltd. with the Distinguished Personality award, recognizing his outstanding contributions to the pulp and paper sector.

PaperTech 2025 is being organized alongside the 24<sup>th</sup> CII Energy Efficiency Summit and the 26<sup>th</sup> CII National Energy Awards for Excellence in Energy Management, where leading paper mills and other industries will be awarded after evaluation of their achievements in energy efficiency.

**Mr. Sushil Kumar Khetan, Vice President of the Indian Newsprint Manufacturers Association (INMA) & Chief Executive Officer, Emami Paper Ltd.,** shared: " CII's PaperTech has become a powerful platform for ideas, innovations, and change. The paper industry has rapidly embraced technology, with recycling at its very core. Our next big step must be to make paper mills efficient without coal, moving decisively from intent to action."

**Mr. Pramod Agarwal, President, Indian Agro & Recycled Paper Mills Association ( IARPMA) & Chairman & Managing Director, Rama Paper Mills Ltd.** remarked: "Paper is not just a product—it is an integral part of our economy. The growth of this industry is directly linked to the progress of the nation. As the largest contributor to recycling, the paper industry perfectly aligns with the Swachh Bharat Mission envisioned by our Hon'ble Prime Minister."

In addition to insightful discussions and keynote addresses, PaperTech 2025 featured the release of the "Best Practices Manual in Paper Sector (Volume 13)," showcasing advancements and innovations within the industry. The conference also honored N Gopalratnam, Chairman, Seshasayee Paper & Boards Ltd. with the Distinguished Personality award, recognizing his outstanding contributions to the pulp and paper sector.

## CII PaperTech 2025: Driving Sustainability and Innovation in Paper Sector

[Business](#) [Admin](#) [9/17/2025](#)

**Hyderabad (17 September 2025)** — The 19th edition of CII PaperTech, a flagship conference advancing energy efficiency in India's pulp & paper sector, will be held on 16th & 17th September 2025 at the Hyderabad International Convention Centre (HICC). Themed "Make Indian Pulp & Paper Industry World Class", the event brings together industry leaders, innovators, and stakeholders to discuss strategies for elevating the sector to international standards.

**Mr. Pawan Agarwal, President, Indian Paper Manufacturers Association (IPMA) and MD, Naini Papers Ltd.,** highlighted: "The Indian pulp and paper industry can become world-class with a simple shift in mindset. Small steps, such as scaling operations, ensuring export consistency, and creating unique value propositions, can make a significant difference. By moving beyond just commodities and focusing on value-added products, we can create a thriving ecosystem for engineered solutions."

**Mr. Sushil Kumar Khetan, Vice President of the Indian Newsprint Manufacturers Association (INMA) & Chief Executive Officer, Emami Paper Ltd.,** shared: "CII's PaperTech has become a powerful platform for ideas, innovations, and change. The paper industry has rapidly embraced technology, with recycling at its very core. Our next big step must be to make paper mills efficient without coal, moving decisively from intent to action."

**Mr. Pramod Agarwal, President, Indian Agro & Recycled Paper Mills Association (IARPMA) & Chairman & Managing Director, Rama Paper Mills Ltd.** remarked: "Paper is not just a product—it is an integral part of our economy. The growth of this industry is directly linked to the progress of the nation. As the largest contributor to recycling, the paper industry perfectly aligns with the Swachh Bharat Mission envisioned by our Hon'ble Prime Minister."

In addition to insightful discussions and keynote addresses, PaperTech 2025 featured the release of the "Best Practices Manual in Paper Sector (Volume 13)," showcasing advancements and innovations within the industry. The conference also honored N Gopalratnam, Chairman, Seshasayee Paper & Boards Ltd. with the Distinguished Personality award, recognizing his outstanding contributions to the pulp and paper sector.

PaperTech 2025 is being organized alongside the 24th CII Energy Efficiency Summit and the 26th CII National Energy Awards for Excellence in Energy Management, where leading paper mills and other industries will be awarded after evaluation of their achievements in energy efficiency.

## सीआईआई ने दिया कागज क्षेत्र में स्थिरता और नवाचार पर जोर

हैदराबाद, 16 सितंबर  
(मिलाप ब्यूरो)

भारत के लुगदी एवं कागज क्षेत्र में ऊर्जा दक्षता को बढ़ावा देने के उद्देश्य से सीआईआई पेपरटेक सम्मेलन आज यहाँ एचआईसीसी में प्रारंभ हुआ। इस सम्मेलन में प्रतिभागियों ने कागज उद्योग में स्थिरता और नवाचार को प्रोत्साहित करने पर जोर दिया।

भारतीय लुगदी एवं कागज उद्योग को विश्वस्तरीय बनाए जाने के विषय पर आधारित कार्यक्रम में उद्योग जगत के अग्रणी, नवप्रवर्तक और हितधारक को इस क्षेत्र को अंतरराष्ट्रीय मानकों तक पहुँचाने की रणनीतियों पर चर्चा करने के लिए एक मंच पर जमा हुए हैं। भारतीय कागज निर्माता संघ (आईपीएमए) के अध्यक्ष और नैनी पेपर्स लिमिटेड

एचआईसीसी में आयोजित सीआईआई पेपरटेक सम्मेलन में उपस्थित भारतीय कागज निर्माता संघ के अध्यक्ष पवन अग्रवाल, भारतीय न्यूज प्रिंट निर्माता संघ के अध्यक्ष सुशील कुमार खेतान एवं अन्य।

के प्रबंध निदेशक पवन अग्रवाल ने कहा कि भारतीय लुगदी एवं कागज उद्योग मानसिकता में एक साधारण बदलाव के साथ विश्वस्तरीय बन सकता है।

परिचालन का विस्तार, निर्यात में निरंतरता सुनिश्चित करना और अद्वितीय मूल्य प्रस्ताव तैयार करना जैसे छोटे कदम महत्वपूर्ण बदलाव ला सकते हैं। केवल वस्तुओं से आगे बढ़कर और मूल्यवर्धित उत्पादों पर ध्यान केंद्रित करके, इंजीनियर समाधानों के लिए समृद्ध पारिस्थितिकी तंत्र बनाया जा सकता है।

भारतीय न्यूज प्रिंट निर्माता संघ (आईएनएमए) के उपाध्यक्ष और इमामी पेपर लिमिटेड के मुख्य कार्यकारी अधिकारी सुशील कुमार खेतान ने कहा कि सीआईआई का

पेपरटेक विचारों, नवाचारों और बदलाव के लिए सशक्त मंच बन गया है। कागज उद्योग ने तेजी से तकनीक को अपनाया है और रीसाइक्लिंग इसके मूल में है। अगला बड़ा कदम कोयले के बिना कागज मिलों को कुशल बनाना चाहिए। भारतीय कृषि एवं पुनर्निरूपित कागज मिल्स संघ (आईएआरपीएमए) के अध्यक्ष और रामा पेपर मिल्स लिमिटेड के अध्यक्ष एवं प्रबंध निदेशक प्रमोद अग्रवाल ने कहा कि कागज सिर्फ एक उत्पाद नहीं है। वह अर्थव्यवस्था का अभिन्न अंग है। इस उद्योग का विकास सीधे राष्ट्र की प्रगति से जुड़ा है। रीसाइक्लिंग में सबसे बड़े योगदानकर्ता के रूप में कागज उद्योग प्रधानमंत्री द्वारा परिकल्पित स्वच्छ भारत मिशन के साथ पूरी तरह से संरेखित है।

స్కేలింగ్ కార్యకలాపాలు, ఎగుమతి స్థిరత్వాన్ని నిర్ధారించడం మరియు ప్రత్యేకమైన విలువ ప్రతిపాదనలను సృష్టించడం వంటి చిన్న దశలు గణనీయమైన తేడాను కలిగిస్తాయి. కేవలం వస్తువులకు మించి, విలువ ఆధారిత ఉత్పత్తులపై దృష్టి పెట్టడం ద్వారా, మనం ఇంజనీర్డ్ సొల్యూషన్స్ కోసం అభివృద్ధి చెందుతున్న పర్యావరణ వ్యవస్థను సృష్టించవచ్చు."

ఇండియన్ న్యూస్ప్రింట్ తయారీదారుల సంఘం (INMA) వైస్ ప్రెసిడెంట్ & ఎమామి పేపర్ లిమిటెడ్ చీఫ్ ఎగ్జిక్యూటివ్ ఆఫీసర్ శ్రీ సుశీల్ కుమార్ ఖేతాన్ ఇలా పంచుకున్నారు: "CII యొక్క పేపర్లకు

> ఆలోచనలు, అవిష్కరణలు మరియు మార్పులకు శక్తివంతమైన వేదికగా మారింది. రీసైకింగ్ దాని ప్రధాన అంశంగా ఉన్న సాంకేతికతను కాగిత పరిశ్రమ వేగంగా స్వీకరించింది. బొగ్గు లేకుండా పేపర్ మిల్లులను సమర్థవంతంగా తయారు చేయడం, ఉద్దేశం నుండి చర్యకు నిర్ణయాత్మకంగా ముందుకు సాగడం మా తదుపరి పెద్ద అడుగు."

భారతీయ వ్యవసాయ & రీసైకిల్డ్ పేపర్ మిల్స్ అసోసియేషన్ (IARPMA) అధ్యక్షుడు & రామా పేపర్ మిల్స్ లిమిటెడ్ చైర్మన్ & మేనేజింగ్ డైరెక్టర్ శ్రీ ప్రమోద్ అగర్వాల్ ఇలా వ్యాఖ్యానించారు: "కాగితం కేవలం ఒక ఉత్పత్తి మాత్రమే కాదు—ఇది మన ఆర్థిక వ్యవస్థలో అంతర్భాగం. ఈ పరిశ్రమ వృద్ధి నేరుగా దేశ పురోగతికి ముడిపడి ఉంది. రీసైకింగ్ కు అతిపెద్ద సహకారిగా, కాగిత పరిశ్రమ మన గౌరవనీయ ప్రధానమంత్రి ఊహించిన స్వచ్ఛ భారత్ మిషన్ తో సంపూర్ణంగా సరిపోతుంది."

అంతర్దృష్టితో కూడిన చర్చలు మరియు ముఖ్య ప్రసంగాలతో పాటు, పేపర్లకు 2025లో పరిశ్రమలోని పురోగతులు మరియు > అవిష్కరణలను ప్రదర్శించే "పేపర్ సెక్టార్ లో ఉత్తమ అభ్యాసాల మాన్యువల్ (వాల్యూమ్ 13)" విడుదల జరిగింది. ఈ సమావేశంలో శేషసాయి పేపర్ & బోర్న్ లిమిటెడ్ చైర్మన్ ఎన్ గోపాలరత్నంను విశిష్ట వ్యక్తిత్వ అవార్డుతో సత్కరించారు, పల్ప్ మరియు పేపర్ రంగానికి ఆయన చేసిన అత్యుత్తమ కృషిని గుర్తించింది.

24వ CII ఎనర్జీ ఎఫిషియెన్సీ సమ్మిట్ మరియు 26వ CII నేషనల్ ఎనర్జీ అవార్డ్స్ ఫర్ ఎక్సలెన్స్ ఇన్ ఎనర్జీ మేనేజ్మెంట్ తో పాటు పేపర్లకు 2025 నిర్వహించబడుతోంది, ఇక్కడ ప్రముఖ పేపర్ మిల్లులు మరియు ఇతర పరిశ్రమలు ఇంధన సామర్థ్యంలో వారి విజయాలను మూల్యాంకనం చేసిన తర్వాత ప్రధానం చేయబడతాయి.
